— Work Experience

Graphic Designer — Flexcar (Nov 2023 - Present)

Everything design related and a little bit of coding

- Established and managed a diverse **Design System** in Figma for efficient workflow and consistency.
- Designed and coded **email templates**, newsletters and landing pages utilising **Figma**, **HubSpot**, **HTML**, **CSS** and **JS**.
- Generated assets for diverse marketing campaigns across multiple channels (website, paid ads, print, events etc.).
- Engaged in collaborative **brainstorming sessions** to generate innovative ideas for marketing initiatives.
- Ideated and executed concepts for monthly **SoMe calendars** (IG, FB, LinkedIn, TikTok), encompassing both **static** and **video** content.

UI/UX Designer & Front-End Developer — Freelance

(Apr 2023 - Present)

Refined and revamped projects + Took on more clients

(Oct 2019 - Oct 2021)

Laying the foundation + Expanding my skillset

Associated with: **3ll** | **Stratakis Lab** | **Kardias** | **Synoditis** | **Retrofolio** | **Brioche**

- Developed visually compelling **brand identities**.
- Designed and developed intuitive and engaging **UI/UX** for web and mobile applications.
- Utilised industry-standard tools and technologies, such as **Adobe Creative Suite**, **Figma**, **HTML**, **CSS**, **JS** and **SASS**.
- **Revitalised** and **fine-tuned** existing projects, guided by metrics and feedback.
- Enhanced my skill set by incorporating **Vite**, **React**, **Next**, **Vue**, **Tailwind** and **Typescript** into my toolkit.

UI/UX Designer — Blueground (Sep 2022 - Apr 2023)

Amazing work environment

- Led end-to-end redesign projects, creating user-friendly interfaces, landing pages, email templates, and blog designs.
- Collaborated closely with cross-functional teams, including CRM, content and performance teams.
- Created wireframes, prototypes, and visually compelling designs using **Adobe Creative Suite** and **Figma**.
- Designed new features, revamped existing pages, and oversaw the development process to ensure accurate implementation.
- Streamlined workflows, established asset libraries, automated image edits and crafted branding guidelines.
